### **Part One Crimes:**

The State of Florida uses these crimes for conformity in compiling statistics within the state and the nation. The statistics for these crimes are reported to the Florida Department of Law Enforcement for inclusion in the Federal Bureau of Investigations (FBI) Annual Report. Data from the monthly report may differ from the FBI's published report due to the fact that only certain classes of crime are extracted for publication and crimes reported after the reporting deadline are still captured by the Records Unit.
